AND NOW, this 27th day of July, 2021, upon consideration of the Receiver’s Motion for Order Authorizing Certain Case Closure Activities and for Rule to Show Cause to Close the Receivership; Discharge the Receiver; and Enjoin Claims Against the Receiver and her Professionals and her Confirmation of Completion of Case Closure Activities (Doc. No. 187), and the Receiver’s proposed Discharge Order (Doc. No. 180-3), it is **ORDERED** that:

1. Within five (5) business days of the entry of this Order, the Receiver shall serve on all counsel of record this Order, the proposed Discharge Order (Doc. No. 180-3), and a letter describing the process for submitting objections described therein. Service under this paragraph may be made by first-class or electronic mail.

2. The Receiver shall post this Order and copies of the relevant Motion on the Receivership’s website for the above-captioned matter, located at <http://www.c4sreceiver.com>, to interested parties of whom the Receiver is now unaware or cannot locate. This website posting shall be sufficient notice of the Discharge Order to all such unknown or unlocated interested parties.

3. No later than thirty (30) days from the date of entry of this Order, any interested parties shall show cause, if there is any, why this Court should not, upon written confirmation of completion of the case closure activities and a final accounting, enter an Order closing the

Receivership; discharging the Receiver; and enjoining any and all claims against the Receiver and her Professionals, including objections as described herein. This shall be done by correspondence sent to counsel for the Receiver at the address set forth below, stating all objections to the Discharge Order.

The objection must demonstrate, under penalty of perjury, the grounds for such claim, and be accompanied by documentation sufficient to support the objector's position. This can be done by setting forth in detail the basis for the objection and including at the end of the statement, if true, the phrase: "I declare pursuant to 28 U.S.C. § 1746, under penalty of perjury, that the foregoing is true and correct," and signing and dating the document. All letters submitted pursuant to this paragraph must include current contact information for the submitting individual or entity, and must be sent either by receipted mail, or receipted electronic mail to:
